

RETAILER COUPON INFORMATION

How to Scan Coupons

STEP 1:

Go to the terminal home screen and press "Redeem Coupon" button in the upper right corner.

STEP 2:

Use Barcode Reader to scan barcode (For better reading scan out of the cradle).

STEP 3:

A confirmation screen will pop up asking if you would like to proceed. Confirm with customer before pressing yes.

STEP 4:

Upon selecting "YES", purchased tickets and FREE ticket will print automatically. Collect proper amount from customer before distributing tickets.

Note: Promotional Credit will be shown on the daily sales activity report.

Important Tips

- Terminals are able to scan coupon barcodes directly from a smartphone using the hand-scanner.
- Vending machines are not enabled to scan the coupon.
- Try scanning the coupon with the <u>Barcode Reader out of the cradle</u> if coupon does not scan; Barcode Reader could be too close to the coupon.
- Coupons can be used one time only.
- If an error message shows, the coupon is scanning properly, but may not be valid.

What to Do If Coupon Won't Scan – Reimbursement

If coupon does not scan, please call Scientific Games hot line: **1-877-896-5250**. Support personnel will assist in troubleshooting the issue.

<u>Please honor the promotion as described</u> on the coupon and take payment for qualifying purchase. Arizona Lottery will reimburse for the amount of the promotional award.
