## Balloon Bonanza Livestream Rules

Players must be 21 years or older and must have an Arizona mailing address.

Players can enter to win a prize in the Balloon Bonanza Livestream by submitting a comment on the Arizona Lottery's Balloon Bonanza Livestream on Facebook. Entries must be made within the Entry Period which opens on 1/7/2021 at 12:00 PM Arizona time and closes on 1/7/2021 by 1:15 PM Arizona time, subject to change at the discretion of the Arizona Lottery. Entries must be made during eligible entry periods as determined by the livestream and are subject to change.

Throughout the livestream, fourteen (14) open-ended and trivia questions will be asked for viewers to interact with for the chance to win a prize. For each question, one (1) player will be randomly selected to win a \$20 Scratchers® bundle.

Each question will be shown for approximately four (4) minutes, meaning that viewers will have four (4) minutes to submit their answers for the question that is being asked. To be considered, viewers must submit an answer via a comment within the allotted time frame of each question being asked. There is no limit to how many times a player may submit an answer to each question.

The selection pool for eligible winners will reset with the start of each new question. A total of fourteen (14) winners will be randomly selected to win one (1) \$20 Scratchers bundle. There is no limit to how many times a player may win.

There will be one (1) grand prize winner of a \$500 gift card for answering the grand prize question of "How many balloons can we pop within one hour?" One (1) winner will be randomly selected from the number of players who guess correctly. If no player answers correctly, the grand prize winner will be selected as the person who guessed correctly without going over the total amount. If multiple players answer correctly, the grand prize winner will be randomly selected among those that guessed the correct amount.
