1. **Director's Presentation:** Director Edgar gave a brief update on the beneficiary focus of the month, St. Vincent DePaul.

Chair Weintraub asked Director Edgar how much money is set aside for beneficiaries.

Director Edgar informed the Commission that \$350k - \$400k a year divided between 18 beneficiaries. Director Edgar finished his presentation by giving a brief update on the FY23 budget and 2024 Legislative submissions. The presentation is attached for the official minutes.

2. **Financial Report Presentation:** Russ Harben presented the financial information with overall sales with the large jackpot.

Chair Weintraub asked Commissioner Newman if the large jackpot had a significant impact on Circle K's sales. Commissioner Newman informed Chair Weintraub that yes; the jackpot had a negative impact on in-store sales because people do not want to wait in long lines of 50-60 people purchasing lottery tickets when they just want to purchase a soda.

Raynie Hosto asked Commissioner Newman if lottery sales makes up for the loss of in-store sales. Commissioner Newman stated that Circle K is aware that lottery is important and they welcome those players.

Russ Harben continued with his presentation giving new projections for FY23, and a financial status with a comparison of last year's sales.

Commissioner Thomson requested clarification regarding the decline of sales after the large jackpot has been won. Director Edgar informed the Commission that lottery sales typically increase for one or two draws after someone has won the jackpot and then starts a decline of sales.

Commissioner Thomson inquired if the super bowl or other major events have an impact on sales. Chris Rogers informed the Commission that it is difficult to determine the impact of sales during a major event as it coincides with our peak sales due to the winter visitors.

Commissioner Thomson asked if the Arizona Lottery plans on marketing to the tourists as well as the snowbirds that will be visiting. Chris Rogers informed the Commission that the Arizona Lottery has a campaign that will be focused around the super bowl and it will be in his upcoming presentation. This concluded Mr. Harben's financial report. The presentation is attached for the official minutes.

3. **Products & Marketing Update Presentation** – Chris Rogers, provided a marketing and products update. The presentation is attached for the official minutes.
